Message from SCCA President

Updated - April 6, 2020

Dear SCCA Members,

- **Coronavirus (COVID-19)** continues to **play havoc** and sadly in the last few weeks we have seen a **sharp rise** in number of cases reported and lives lost globally.
- **U.S.** now happens to hold the dubious distinction of having the **highest number of recorded cases**.
- **Southern California**, especially **L.A. county**, is also hit pretty hard and according to **Gov. Gavin Newsom's** statement **California could be peaking in May**.
- Experts are of the opinion that **next few weeks are 'extremely critical'**.
- Due to the **variables and uncertainties involved** in the **combat with this deadly virus**, unfortunately there is **no fixed 'end date' to this pandemic**.
- All the **major events** over the next couple months have been **cancelled or postponed** and sports leagues around the world have **suspended all their activities** as well.
- SCCA is totally **committed and will not compromise the health and safety** of our **members, their families and everyone else affiliated** with us.
- The least we can do is to **take proper and effective precautions** - so the **Board has decided** that the right thing to do at the present time is to put **season start on hold until further notice** while we **keep monitoring the situation**.
- I urge each and everyone to **do your share by adhering to the guidelines** provided by CDC and other agencies, **obeying government ordinances** and **following safe practices to protect yourself and your loved ones**.
- Appreciate your **understanding, cooperation and support** during these **unprecedented challenging times** in our lives!
-

STAY HOME • STAY SAFE • STAY POSITIVE

Sincerely,

Mihir Gandhi
President, SCCA
