Message from SCCA President

June 9, 2020

Dear **SCCA Members**,

- Hope that all of **you and your families are doing well and staying safe!**
- As mentioned earlier, SCCA is totally **committed to the health and safety of our members, their families and everyone else affiliated** with us.
- **State/City mandates** pertaining to the **pandemic** situation will be followed.
- The **Executives and the Directors** have been regularly meeting **'virtually'** and we are **monitoring the situation closely.**
- At this time, we are **awaiting a word** from the Department of Rec and Parks with regards the **opening of cricket fields** and **obtaining permits for the same.**
- Pleased to inform you that we are making a **conscious effort to improve our grounds** and **utilize this unforeseen 'down time' productively.**
- Various Committees are working behind the scenes as we are **optimistic** that we will be able to **salvage** this, as best as we can, and hopefully **manage a curtailed season.**
- We will be **sharing plans** in more detail with our member clubs and those connected with SCCA in the next few weeks. This will be done via **news posting on website and email** will be sent to the team executives on file.
- Due to the **evolving nature** and changing **variables with numerous uncertainties involved**, it is **extremely difficult to commit to something.** So, at best whatever we **proactively plan** can only be **tentative and subject to change based on current prevailing conditions.**
- In the meantime, I urge each and everyone of you to **do your share** by **adhering to the guidelines** provided by CDC and other agencies, **obeying government ordinances** and **following safe practices** and guidelines to **protect yourself and your loved ones.**
- Appreciate your **understanding and cooperation** during these **unprecedented challenging times** in our lives as we **navigate these uncharted waters!**

TAKE CARE • STAY SAFE!

Sincerely,

Mihir Gandhi
President, SCCA
